

## INTERNATIONAL HARDWARE SHOW COLOGNE - 01.03.2020 - 04.03.2020

### CUSTOMER INFORMATION

Dear Sir or Madam,  
Dear business partners,

unfortunately, we have to inform you that due to the current situation concerning the Corona Virus (Covid-19) we will not exhibit at the international hardware fair in Cologne this year.

The risk of infection and the associated health risk for our employees, customers and business partners is, according to an extensive internal evaluation, too high for us and we do not want to take any risks.

We would have been pleased to present the completely new SW STAHL brand presence, our new developments, which have won several IF design awards, and other numerous technical product innovations to you personally at our new trade fair stand. We hope for your understanding and will of course be at your disposal for presentation and advice in your or our premises.

Your SW STAHL Team
